THE MONTHLY REPORT

David will make a pre-production visit to your facility and prepare a storyboard for a Newsroom style report to be presented on location.

One Yachts For Sale videographer will join David to film appropriate footage of the product and facility, and then edit the footage to include a custom introduction using your logo with music exclusively held for your brand.

Pre-production time: 2-3 hours

Production time: 2-3 hours

Post-production time: 10 days

Price: €1,350 + travel expenses

Please be aware that there is a minimum order of 3 videos with this item, to be produced no longer than two months apart.

THE VIDEO DOCUMENTARY

David will make a pre-production visit to your facility and prepare a storyboard for a television documentary style video. This item is particularly suitable to document the construction of a yacht, making visits at strategic moments during the construction no more than 3 months apart.

One Yachts For Sale videographer will join David to film appropriate footage of the project, and then edit the footage to include a custom introduction using your logo and with selected music.

Pre-production time: 1 day

Production time: 1 day

Post-production time: 10 days

Price: €3,600 + travel expenses

THE WALK THROUGH VIDEO

Short Form (usually for up to 35m tri-deck yachts)

David will make a pre-production visit to the yacht and prepare a storyboard that presents the yacht for sale, for charter, or both.

Two Yachts For Sale videographers will join David to film appropriate footage of the yacht, including arial footage using a drone. They will then edit the footage to include custom music.

Pre-production time: 1 day

Production time: 1 day

Post-production time: 10 days

Price: €6,750 + travel expenses

Long Form (usually for above 35m tri-deck yachts)

David will make a pre-production visit to the yacht and prepare a storyboard that presents the yacht for sale, for charter, or both.

Two Yachts For Sale videographers will join David to film appropriate footage of the yacht, including arial footage using a drone. They will then edit the footage to include custom music.

Pre-production time: 1 day

Production time: 1 day

Post-production time: 10 days

Price : €9,250 + travel expenses
